As a recent graduate from BRAC University with a Bachelor of Science in Computer Science, I am extremely interested in the Software Engineer Intern opportunity posted on the LinkedIn website. After reviewing the key qualifications for this role, I am confident that I am well-prepared to be a valuable contributor to company growth and success.

Through my academic journey, I applied a strong focus on building my coding and problem solving abilities. I am detail-oriented and meticulous when managing competing priorities within tight deadlines. I work best in roles where utilizing my teamworking abilities allows me to make a positive impact while using creative problem-solving to resolve issues and achieve goals.

My academic strengths have greatly contributed to the development of my observation, critical thinking and teamwork skills. I bring clear and effective communicating to build professional connections with co-workers, management and customers. I would welcome the opportunity to further discuss the details of my experience and attributes which I believe will be an asset to the developer team.

Please review my attached resume for additional insight into my background. Thank you for your time and consideration.

Respectfully,

Sayed Bin Taher
